

## VILLA BLUE

Villa Blue is located in the most prestigious area of Agios Lazaros facing the west part of Mykonos and the historical island of Delos. The villa is located next to the famous Santa Marina Resort&Villas, which embraces the highest society of Europe and all Hollywood celebrities due to its extraordinary position on the hill and its spectacular private beach. The design of this villa follows strictly the Cycladic aesthetics, characterized by whitewashed walls and deep blue arches while it's enhanced with wall paintings inside and outside illustrating a unique touch of Myconian art.

Moving to the most interesting part of the property is the breathtaking verandah with a sea-salt water private pool surrounding by comfortable lounging and seating areas, outside dining table for 12ppl and a stone made bar and barbecue ensuring a fabulous summer living for every taste.

There's also a deck where tender boats can approach and water sports taking place from the resort.

Conde Nast Brides Magazine in UK has chosen it as one of the Top 25 Villas around the world and the only in Mykonos island advertised for Honeymooners&Weddings in Spring of 2013.
